Subject: timelines for Florida 404 assumption
Attachments: Florida 404 Assumption Timelines - 8-8-2018 v3.docx

Good afternoon,

Jeaneanne asked me to share our latest understanding on the timeframes on Florida 404 assumption. The attached document includes the timeframes for Florida's rulemaking and submission, which is based on information provided yesterday by FDEP staff, and also includes the details regarding the requirements for the EPA's 120-day review period. In addition, I just provided Brandy H. with 3 hard copies of the attachment to share with Blake.

If anyone has questions or needs any additional information/clarification please let me know.

Tom
